## Eventide is...

---

The core of **Eventide** is made up of three experienced entertainers but can expand depending on customer preference. The main players of **Eventide** are:

### Dave Banks / Lead & Backing Vocals, Keyboard, Guitar

Dave was born and raised in Flushing, Michigan. Being born into a musically inclined family of talented singers and musicians, Dave discovered his passion for music at a very young age. He made his singing debut on stage at the age of four in his family's church singing group. As a youth, Dave developed his performing skills by singing in church, and touring with a college band for two years. More recently, Dave has performed as part of the groups *Eclipse* and *Back to Back* and spent time in the studio recording keyboard tracks for *Hindsight*. In the meantime, Dave honed his skills as an entertainer by performing for 2 years as a *Dueling Pianos* player at restaurants and other venues.

### Rich Hunt / Drums

Rich hails from Swartz Creek, Michigan where he was raised by a drummer dad and an organ playing mother. His parent's musical influence, combined with his nervous energy that needed an outlet, were significant reasons for Rich beginning to keep the beat at a young age. Rich's drumming career started in church at the age of 14. Since then, he has been playing with various jazz and cover bands. Rich also is a certified public accountant and is one of the few people in the industry to list Tommy Lee and Buddy Rich as his main influences. His dependable drumming, easygoing attitude and professionalism all make *Eventide* a better band.

### Glen Chipman / Lead & Backing Vocals, Guitar

Glen got his first guitar at the tender age of 10 years old and, from that point on, has been entertaining people with it. What started as neighborhood jam sessions and small parties has, over the last three decades, blossomed into performances at varied venues including appearances at a number of bars and summer festivals in and around the Bay City, Saginaw, Flint, and Thumb areas. Glen's main focus has been consistently tied to entertaining the people and at the end of the night, you can be sure that a good time has been had by all.

**Eventide** features many guest artists including;

Terry Granger / Backing Vocals, Guitar, Bass

Nate Ludwig / Vocals, Bass, Guitar

Laura Banks/ Backing Vocals

Denise Hunt / Backing Vocals

Mark Routt / Drums
